It will be removed from 3A effective fall 2008. It is accepted in Area 3B. From CSU: This course was inappropriately grandfathered into IGETC Area 3A. To maintain consistency with its placement in IGETC, it will be accepted in Area C1 from fall 1991 to fall 2008. It will be retained in Area C2, the most appropriate area. We ask that in preparing CSU GE-Breadth certifications, the college apply this course to Area C2 whenever it is possible to do so without disadvantaging a student who had originally been pursuing the IGETC pattern.
